

## George R. Harrison Scholarship Fund

### Mission Statement

Our mission is to honor the legacy of a remarkable man who dedicated his life to helping others, fostering growth, and nurturing a passion for the appraisal profession. We are committed to continuing his work by alleviating the financial challenges future appraisers face during their training journey.

We pave the way for a stronger and more vibrant future for our profession, by easing the cost burden of qualifying education and investing in appraiser trainees.

George Harrison's profound dedication to the profession and his unwavering belief in the significance of quality education led him to establish the Columbia Institute and play a pivotal role as a co-founder of the NAA. Our fund is a testament to this commitment.
